

DSCA News Flash - Transportation

Dear {Contact_First_Name} {Contact_Last_Name},

This News Flash info is provided to members on the **DSCA Transportation Committee** and to DSCA News subscribers who selected the **Topic of Interest = Transportation**.

This is an important survey on issues/barriers to **walking and biking**, conducted by Florida Dept. of Transportation, and forwarded by City of Sarasota to neighborhood associations. Please take the FDOT Survey and forward this survey link to any other downtown neighbors.

Subject: Input Needed - FDOT District One's Active Transportation Master Plan

*Association Leader - kindly forward the below email to your contact list.
Thank you.*

The Florida Department of Transportation District One needs your help understanding why people walk and bike, what barriers exist for walking and biking, and the improvements needed to make roadways better for walking and biking. Please take this survey to share your thoughts: <http://bit.ly/D1UserSurveyEnglish>

Your input is important & greatly appreciated.

FDOT will be reporting survey results in the ATP and in key meetings with local agencies.

Warm wishes,
